Woonsocket, RI

[pac\\_cochair@yahoo.com](mailto:pac_cochair@yahoo.com)

Welcome to the Parent Advisory Council (PAC) of Woonsocket. It is a pleasure to have you aboard with us. The purpose of this council is to have open communication with each school, and to communicate ideas and suggestions to the administration so that actions can be taken. The partnerships that this council has created and will continue to create have and will benefit students, teachers, parents and the community in which we live.

Everyone is WELCOMED and encouraged to attend the scheduled meetings as they are advertised and sent to each school in the district. Principals, teachers and school committee representatives are in attendance at each meeting. If you are interested in becoming a delegate, please contact your school principal or PTO chairperson. Meetings are held at the WACTC, 400 Alysworth Avenue, Woonsocket, RI, from 7:00pm to 9:00pm.

Please help your child at home and volunteer at school. The PAC looks forward to connecting with you and our schools.

Sincerely,

Cindy MacNeill & Denise Auclair
